Tidelands Plan Well Received At Sacramento

Last week Albany sent a large delegation to a hearing in Sacramento on the city's plan for development of its tidelands. The plan includes filling in of some 135 acres of tidelands and its development for industrial, residential or recreational purposes.

Legislation to remove state restrictions on this land is being introduced by Senator John W. Holmdahl, with the cooperation of Assemblyman Don Mulford.

Members of the delegation came back to Albany enthused over the committee hearing and prospects for passage of the bills by the Senate and Assembly at the current session.

The delegation was led by Mayor Joe Caravaro of Albany, and included Supervisor Kent Pursell, members of the Albany city council and other city officials; Walter Brophy, President of the Chamber of Commerce; Police Chief Jensen, Eddie West, Carl MacWilliams, H. F. Call, Elda Froot, Ruth Young and Irene Grove, secretary-manager of the Albany C. of C.

Citizen Group Will Work For School Tax Hike

Joel M. Popper of 706 Gate View is chairman of a citizens' committee which will work for the passage of a 25-cent tax increase for Albany schools at a special election May 9.

Popper has announced other members of the committee, Dr. Charles Koch, Dr. Robert L. Dimnick, Mrs. Howard Heath, Mrs. John Larimer, Mrs. William Ganong, Louis Bell, Mrs. Max Klemm, Mrs. Raymond Paine, Mrs. L. L. Keck, Mrs. Robert Moody and Mrs. Dorothy McCain.

The group is meeting regularly to plan a publicity campaign and other methods of presenting the facts of the election to Albany taxpayers.

"A community is no better than its schools," Popper said. "The quality of its education program is the prime concern of those considering moving to a town. We believe that the matter of providing a good education for our children is vital, not only to the reputation of Albany, but to the young people whose entire futures may be determined by the quality of the school system provided for them."

The chairman said that Albany is fortunate in having an outstanding school program, much of which is based on long-range planning. "The time has come, however, when we must decide if we are to continue to support existing programs or if we are going to pull the plug, so to speak, and let hundreds of hours of hard work and planning go down the drain," he said.

He said the election is scheduled for this year because the Board of Education sets up its budgets a year in advance. School costs, like the costs of everything else, have risen, he explained, adding that the cost of education, consisting primarily of teacher salaries, is pretty much a case of getting what you pay for. The Board of Education is unable to do much in the way of budget-stretching without working a hardship in some area of the

Easter Egg Hunt Saturday At Albany Parks

Albany's community sponsored Easter Egg Hunt will be held on Saturday, April 1, and that is no April Fool's prank. However, plans are being made to insure that all the Albany youngsters who take part will find an Easter Egg and some will win prizes.

According to the Superintendent of Parks and Recreation, E. L. Nelson, the plans for this year's program will differ slightly from those of the past two years. Plans include a movie program at Community Center as well as the usual hunt. This program will be for children 6 and under.

The Terrace Park program will include hunts for all age groups 12 and under; an Easter Bonnet Contest for boys and girls, games and contests between the Good or Bad Eggs. At Noon a cook-out in the park will slow down the program for a moment before the afternoon pace picks up with games, relay races, a treasure hunt and a movie program.

Memorial will also provide a program for the 12 and under age group. Groups will be divided so that younger children will hunt in areas apart from the others. An Easter Hat Parade will take place at 1:00 p.m. followed by regular playground activities.

Programs in all the parks will start at 10 a.m. Programs are being planned and directed by the Recreation Staff: Bud Rooney and Bill Hutt at Community Center, Grace Baldwin at Memorial Park and Hazel Minoggio at Terrace Park are the workers who make the program go. Volunteer parents are also welcome to aid in making the programs successful.

Machinists' Union; Credentials, Louise Longaker, Berkeley; Issue Conference Chairman, Bob Proff, Albany.

'Get Rid of Weeds Now', Says Chief

Albany Fire Chief Gerald D. Browne advised all citizens today that now is the opportune time to clear weeds away from fences and buildings. The ground at this time of year is soft and weeds may be pulled from the ground in "clumps."

This little bit of early fire prevention may pay off later in the year when the grass becomes dry and very flammable and is also difficult to remove. The chief believes and area of about three feet from any fence or building is sufficient to clear.

KEY ROUTE STOP SIGN PROPOSAL APPROVED

The Albany City Council was presented with a proposed three-way solution to the traffic problem at Key Route Boulevard and Portland Avenue at Monday night's session.

Director of Public Works Turner and Chief of Police Jensen jointly suggested: (1) - That boulevard stop signs be installed on Portland at the east and west entrances to Key Route, in addition to the present signs which stop north and south bound traffic on Key Route at this intersection. (2) - That trees be trimmed at the approaches to the intersection wherever they restrict a driver's vision. (3) - That parking be prohibited on the east and west sides of the median strip from Solano Avenue to the Albany City Limits on the north.

After considerable discussion the first two proposals were adopted unanimously. The parking problem along the Key Route median strip was discussed at length, finally being held over for two weeks to the council meeting of April 10, when a public hearing will be held. It was realized that elimination of mid-strip parking near the high school would provide a problem for school authorities, as well as creating a possible parking problem for merchants and others near the Key Route - Solano Avenue intersection.

Among other matters passed on by the council were:

Approved a proclamation asked for by the school department, naming April 21-23 as Public Schools Week.

Approved sending Director of Public Works Turner to represent the city at the next meeting of the Bay Area Rapid Transit District, and to inform the District Board that the District's present plans for an overhead rail system through Albany is irrevocably opposed by the City. Turner will present the city's views in detail.

A proposal for a change in the vacation ordinance for the Fire and Police personnel was held over indefinitely.

Resolution No. 61-39, authorizing the Mayor to execute an agreement with the Albany Preschool Mothers' Club for the hiring of Marian Wolf as assistant director, was approved 4 to 1, Councilman Boych dissenting.

Resolution No. 61-40 appointing Charles N. Seales as Poundmaster at a salary of \$141 a month, was approved 4 to 1, with Councilman Boych dissenting.

Resolution No. 61-41 appointing Mrs. Betty Spires as Director of Women's Affairs in the Albany Civil Defense Organization, was approved unanimously.

Ordinance No. 61-05, assessing a penalty for failure to obtain a license for dogs, was approved 4 to 1, Councilman Howell dissenting.

Girl Scouts Seek \$50,000 For Rebuilding Camp White Meadows, Burned in 1959

Fifty thousand dollars is the goal of the Berkeley - Albany - Kensington Girl Scout Council's fund drive for rebuilding Camp White Meadows, their established summer camp near Placerville, California, which was ravaged by fire in October, 1959.

Mrs. Robert Long, president, announced at the Berkeley - Albany - Kensington Girl Scout Council's annual dinner meeting at Spenger's Fish Grotto, Berkeley, recently that Stanley E. McCaffrey, president of the Albany Area Council, will be chairman of the Camp Fund Drive Committee.

Plans formulated by a special study committee and revealed by McCaffrey in his address recently, include the building of an entirely new kitchen and dining area, infirmary, and staff quarters, as well as the creation of a new boating area to be known as Lake Ward. The supply of pure, clear spring water is bountiful. The central part of camp is as green and beautiful as ever, and reforestation has been started on adjacent burned areas.

Campers are expected this summer. A brief concentrated fund raising campaign is planned for this spring to insure the camp's being ready for them.

Other committee members include: Mrs. Harry E. Betts, Council finance chairman and vice-

chairman of the fund drive; Dr. and Mrs. Kenelm Benson, Mrs. Kenneth L. Ferguson, Paul Harberts, Arthur Hargrave, Mr. and Mrs. Albert E. Jurs Jr., Mr. and Mrs. F. Pierce Lathrop, Dr. and Mrs. Richards Lyon, Mrs. Stanley McCaffrey, Mr. and Mrs. Philip McCombs, and Judge Raymond C. Staats Jr.

The Berkeley Little Theater showing will be the only appearance in the East Bay of this production. Tickets priced at \$1.00 for both children and adults are available from any of the parent members of the Berkeley Hills Cooperative Nursery or from Mrs. Dick Friedman, Thornwall 8-3631. They are also on sale at the Campus Smoke Shop, 2300 Telegraph Avenue, Berkeley, and will be available at the door of the theater on the date of the play.

MEMBERS OF THE CONGREGATION of the St. Alban's Episcopal Church here in Albany have been looking forward for a long time to the fulfillment of their hopes for an adequate church home, with facilities for taking care of continuing growth. This coming Sunday will be celebrated the ground-breaking ceremony at the church site. Above is a view of the present building combined with an architect's drawing of how the complete structure will appear when completed, perhaps before next Christmas.

Ground Breaking At St. Alban's On Easter Morning

St. Alban's Episcopal Church, Albany, will break ground for its new church proper on Easter Sunday at 10:15 a.m. The Rt. Rev. Henry H. Shires, D.D., rector suffragan bishop of California, will be the first to wield the spade. Others doing so will be the rector, the Rev. John H. Blackidge, the senior warden, Jan Beuneman; the junior warden, James Owenhouse; the architect, Fran A. Contable of Sausalito, and a number of other parishioners selected by a vestry committee.

The event is an important step leading to the climax of securing the permanent church to adjoin the two-story parish house in which the congregation is now worshipping. The property on which the new building will be erected is located at the corner of Washington Avenue and Curtis Street. The architect has designed it of wood frame and stucco to harmonize with the parish house designed by his father, retired architect Arnold Constable.

A free-standing altar will allow the celebrant of the Holy Communion to recapture some of the spirit of the early Christian Lord's Supper by standing behind the altar and facing the people during part of the service. This will also enable the congregation better to see what he is doing at the altar.

A balcony will accommodate the organ and choir and provide extra seating for the congregation. A one-story multi-purpose room is planned between the nave and the parish house. Heavy doors, forming a wall when closed, may be opened into the nave to allow extra space for worshippers. The ceiling height, from the floor of the nave to the peak of the roof, will be a lofty 34 feet. The tower, surmounted by a cross, will soar into the air to a total of 67 feet above the sidewalk.

The cost of the building will be approximately \$90,000. This is exclusive of furnishings and the organ. The basement, to be left unfinished, will be a project for future completion.

It is hoped that the building will be ready for occupancy no later than Christmas, 1961, and possibly earlier.

Others wielding one of several spades for the ground breaking will be, from the vestry: the Mesdames Harold Blatch, S. R. Dows, Leonard Johnson and Wilhelms; Choir Mother, Mrs. Arthur Whittemore; Junior Choir, Mrs. Horace Knight; Church School Superintendent, Mrs. O. W. Van Haren; Episcopal Churchwomen President, Mrs. Ralph Morgan; St. Anne's Guild, Mrs. Kenneth Brunner; St.

Clare's Guild, Mrs. Dale Phillips; Librarian, Mrs. Jan Beuneman; Partial Listings Canvass, Harry Thayer; Pledge Counseling, James Smith; Telephone Committee, Mrs. Ernest Lowman; Ushering, Robert Cramer; Junior Ushering, Henry Boverhuis and Michael Houlson; Young People's Fellowship Advisor, Dale Phillips; and Young People's Fellowship President, William Cramer.

In addition to the ground breaking, the traditional Easter Day services will be:

7 and 11 a.m., duplicate services of choral Euharist, with sermon. The offertory anthem will be sung by the senior choir, under the direction of Mrs. S. R. Dows, organist and director.

9 a.m. Family service of choral Euharist with sermon. There will be the presentation of the cross of flowers and mite boxes into which children have been putting their Lenten self-denial offerings. This money goes for missionary outreach to the Missionary Districts of Nevada, San Joaquin and Mexico. Church school classes will be held for nursery through the third grade only.

Nursery care for tiny tots is provided at both the 9 a.m. and 11 a.m. services.

For all communicants in normal health the receiving of Holy Communion on Easter Day is a solemn obligation as well as a joyful privilege.

3:30 p.m. Easter egg hunt on the lawn for children through the sixth grade, under the direction of Mrs. George Mashy. This will be preceded by the brief telling of the significance of the Easter egg and prayers by the rector. In case of rain the hunt will be held inside the building, downstairs.

7 p.m. High school young people's fellowship under the direction of Herbert Mann and Dale Phillips, youth advisors.

THE ALBANY AND EL CERRITO ROTARY CLUBS are having some friendly competition over their club attendance records. Albany has led the 54 clubs in this district of Rotary several times in the last few months, and that No. 1 position in the standing looks pretty good to the club's officers, especially President Jack Snively. President Kay Fretland of El Cerrito announced at one of his club's recent luncheons that El Cerrito was going "all-out" to beat Albany. When asked how he could beat 100 per cent, he said Albany couldn't say on top all the time.

program. Popper explained that the increase will represent a little more than a penny a day for the average Albany taxpayer. Based on an annual rate of 25 cents per \$100 assessed value on the average homeowner (assessed valuation of \$2500) would pay 52 cents a month.

"So many people go to the polls and arbitrarily vote 'No' every time they are faced with a measure which would increase their taxes," Mr. Popper said. "We are urging Albany taxpayers to investigate their schools,

to think seriously of the boys and girls who are attending them, and to give their stamp of approval to this increase."

EASTER Services

Holy Week Activities In Albany Area

Holy Week Activities prepared by the Program Committee of the Berkeley-Albany Council of Churches, will commence with four three-hour Good Friday services each set for 12 noon to 3 p.m. and each following the theme of the Seven Last Words from the Cross. These services are planned area-wide in order that residents and city workers may readily attend a portion or all of the service in their vicinity. Twenty-eight ministers will assist in the four services as follows:

NORTHBRAE COMMUNITY CHURCH, The Alameda and Los Angeles Avenue; Dr. Hubert N. Dukes, North Congregational Church; the Rev. Dan L. Apra, Arlington Community Church; Dr. Jack Finegan, University Christian Church; Dr. Paul I. Irwin, Epworth Methodist

Church; the Rev. Malcolm E. Haughey, First Baptist Church, Berkeley; Dr. Kenneth B. Wallace, Thousand Oaks Baptist Church; and Dr. Laurance L. Cross, Northbrae Community Church. Guest organist will be Mrs. Clara Mueller of Epworth Methodist Church who will also accompany three soloists.

Mellish, Calvary Presbyterian Church; the Rev. W. R. Sybert, McGee Avenue Baptist Church; the Rev. Douglas L. Saxby, Berkeley Baptist Divinity School; the Rev. H. Paul Schaefer, St. Michael's Lutheran Church; and Dr. Gail Cleland, Mrs. Lucella Porter is organist for this service and has arranged special music.

ALBANY COMMUNITY METHODIST CHURCH, 980 Stannage Avenue; the Rev. Marshall P. Luckey, First Baptist, Al-

bany; the Rev. George Nishewka, Berkeley Methodist United; the Rev. Marion Wendell Lemon, Associate, St. John's Presbyterian; the Rev. Allan Bowman, Berkeley Friends Church; the Rev. Herman C. Riley, Phillips Temple C. M. E. Church; the Rev. Dale Nicholson, Albany Community Methodist; and Dr. Harry J. Mumm, Pacific Lutheran Theological Seminary. Mrs. Dolores Harvey is organist and will play for the three soloists.

FIRST CONGREGATIONAL CHURCH, Dana and Durant; Dr. Browne Barr will preside and speak on the first Word from the Cross, followed by Dr. John S. Hadsell, Westminster House Student Center pastor; the Rev. Douglas C. Hayward, Trinity Methodist Church; Dr. Boyd Munger, First Presbyterian Church; the Rev. John L. Silvius, Durant Avenue Presbyterian Church; the Rev. Everett P. Williams, St. Paul's A.M.E. Church; and Dr. Maurice P. Jackson, Berkeley Baptist Divinity School. Kenneth W. Jewell will preside at the organ.

Hospitals, nursing homes and citizens unable to attend one of the many services held throughout the area may hear the service from the First Congregational Church through the courtesy of radio station KRE (1400 kc) and the church technician. The giant Cross on the hill at Euclid Avenue and Regal Road will be lit at dusk on Good Friday reminding the citizenry of the Crucifixion and pointing their thought toward the Resurrection of Christ upon which the Christian religion is based. This year young people of the Trinity Methodist Church will represent the Christian community as they hold a ceremony at the foot of the Cross at the time of its lighting.

The Community Easter Sunrise Service will be in a new location at San Pablo Park, starting at 6:30 a.m.

ST. ALBAN'S EPISCOPAL GOOD FRIDAY

St. Alban's Episcopal Church, Albany, will observe Good Friday with the service of "The Three Hours." This lasts from 12 noon until 3 p.m. The service will consist of prayers, hymns and meditations on the Seven Last Words of Christ on the Cross.

The preacher will be the rector of the parish, the Rev. John H. Blackledge. Prayers will be read by Mr. Francis E. Symons, Lay Reader of St. Alban's.

Worshippers may stay for the whole three hours or for such part of the service as they can.

Music at the 8:00 o'clock service will be different. Ted Allen Worth, brilliant young protégé of Virgil Fox, Rockefeller Church organist, will be the guest organist at all three services. He will play the church's new organ for whose manufacturers he was the official demonstrator. At the same service Eugene Jones, Negro baritone, will sing and James Olcott, solo trumpeter, will play. At 9:30 the Community Choir and the Junior Choir furnish the music. At this hour new members will be received and baptism administered. Two duplicate Easter services will be held at 9:30 a.m. and 11 a.m. The pastor will speak on "Easter Assurances," and the choir will sing two festival anthems under the direction of Mrs. Ralph Moellering, guest organist.

CHRISTIAN SCIENCE

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed Sunday at Christian Science services.

Scriptural selections will include accounts from Matthew, Mark, Luke, and John of incidents in the life of Jesus, including the betrayal in Gethsemane, the crucifixion, and his resurrection.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy these passages will be read (pp. 292, 293):

"Truth will be to us 'the resurrection and the life' only as it destroys all error and the belief that Mind, the only immortality of man, can be fettered by the body, and Life be controlled by death. . . In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality disappears in presence of the reality."

Christian Science Society of Albany meets at 533 San Pablo Avenue, Albany. Sunday morning services are held at 11 a.m. and the Wednesday evening meetings are held at 8 p.m. The Sunday School convenes every Sunday morning at 11 a.m. Everyone is invited to attend the Sunday

morning services and Wednesday evening meetings and to bring their children to the Sunday School.

"EBMUD GIVES COFFEE A BREAK!"

Moraga's Jim McCabe is a professional coffee taster. According to Jim, EBMUD water is a coffee lover's best friend.

"Good water makes good coffee," Jim says, "and EBMUD water is outstanding. It's extremely pure, and there's almost no mineral content. That's why coffee tastes noticeably better here than in many other parts of the country."

Thanks, Jim. Incidentally, the same holds true for tea, soup, and frozen juices. Have you noticed? Anything you mix with pure, soft EBMUD mountain water always tastes its very best.

CHOOSING A BANK

☆☆☆

is in a way like choosing a wife — a

doctor — a lawyer — a church. Next

to these — yes — and sometimes even

before — MONEY is closest to our hearts.

And most of the time MONEY means

a BANK. That is where we get it and

that is where we put it. Because it

has our money we feel that our bank

is a part of us, and it really is. "Mechanics"

enjoys this close relationship

to a remarkable degree. It is noted for

its loyal customers and, of course, there

is a reason. If we are not acquainted,

won't you come in? We will do our best
